WELCOME

We are delighted to welcome you to the first Weald of Kent Art Society Exhibition to be held in St. Mildred's Church.

Based in Tenterden, the Society is a thriving group of enthusiastic artists with over 100 members from surrounding towns and villages. Founded more than 50 years ago WOKAS aims to encourage art and the appreciation of art. Membership is open to both amateur and professional artists working in oil, acrylics, water-colour, pastel, print-making, sculpture and ceramics.

Last year during lockdown we were unable to hold our annual exhibitions, however we were able to set regular art challenges for members and ran two online exhibitions which resulted in a wide range of lively and exciting work.

We hope that you enjoy the exhibition – please vote for your favourite work. Should you wish to learn more about the Society the stewards can give you details of our meetings. We organise two exhibitions of members' work a year, a programme of talks by visiting artists, demonstrations, evening painting sessions and a variety of practical workshops.

We are grateful to St. Mildred's Church for allowing us to exhibit in the Church and our special thanks go to the Reverend Lindsay Hammond for opening the exhibition.

On behalf of all our members we would like to extend particular thanks to NFU Mutual for sponsoring the inaugural 2021 Art Prize awarded at this exhibition.
